

They are the family members of Kumar and Meena Magrati. They were migrated from Okhaldhunga 5 years ago for searching a job. Recently they were living in Hadigaune and the house was destroyed. This is also one of the families of OGN who is living to the next room of Bikesh prajuli 4 years old boy died and his dead body was taken out after 6 hours of earthquake. Kumar and Meena have 4 children and among them Anisha Mangrati is studying in grade with the OGN education program. They could not take out anything from the house. Now they are living in Lalitpur district where they are planning to build a shed and working in the

flower garden. It is 2 hours of travel from Orchid Garden Nepal and from this year OGN will change the School of Anisha near her locality.
