Yearly Activities (Shrawan 2074 to Ashad 2075)**

Day Care :

At Present 50 Kids are getting Day Care facilities in Orchid Garden Nepal.They have their own schedule like milk time, circle time, putty time, meal time , play time,nap time ,snacks time tec. They enjoy the fullest.

Celebrations:

Janai Purnima:

Children from OGN made beautiful Rakhi for their brothers and sisters. Teachers helped them for celebrating the day with fun and excitement.

Father's Day:

This day is not about ordinary people, it is about special people, it is about you! This is the way OGN teachers explained the importance of parents for the safe and success in life. Children were

excited to share the greeting that was made by the help of their teachers.

TeejCelebration:

Teej is one of the festivals celebrated by Hindu women. Volunteers, teachers and children enjoyed the day with delicious food and dance with special Teej song.

Teacher's Day:

You show us how to behave properly, you teach us invaluable lessons, and you make us learn from our mistakes. In Nepal, Guru Purnima is a big day in schools. Students honor their teachers by offering delicacies, garlands, and special hats made with indigenous fabric. This is taken as a great opportunity to consolidate the bond of teacher-student relationships.

National and international Children's day:

Such a treasure your precious child is, who will thrive on every hug and kiss. Time for some splashing fun Cheers 'n' jolly time for everyone because it's Children's Day May the love n laughter always stay on every child's face. On this occasion OGN celebrated the day and organized quiz competition among the houses of inside OGN and drama show regarding of right to education for all children.

Dashain and Tihar Celebration:

Dashain and Tihar is the great National festivals of Nepal. Dashain and Tihar for many children it is the festival of Swing, Kites and Daushi vailo program.

All the children were delighted to received Tika, Delicious food, fruits and Dance at the end of the program. Right after 15 days the next festival Tihar is starts with fun, music and Dausi Vailo Song. On that day all of us pray to Goddess Laxmi and have bhai tika. As prasad we offered delicious food and blessing to the brothers.

Holi : Holi is a time to reach out with the colors of joy, love and forgive. It is the time to expresses the happiness of being loved and to be loved through colors.

Project work: Children carried out the project work on balance diet. They exhibited basic food items. Containing Body building food, Energy giving food, Protective giving food.

Christmas Day: Christmas is the celebration of the birth of Jesus Christ, son of the Virgin Mary.

Caps, Socks and Dolls were given to all the children as Christmas gifts. Furthermore our education support children and staffs altogether 43 were went see the movie on the auspicious occasion of Christmas.

the topic and lesson linking with video.

Audio Visual Class: It is the regular schedule of Orchid Garden Nepal; it is very easy to understand

Model Work: Models and modeling play a crucial role in science practice. One justification for their inclusion in science teaching is that they contribute to an ‘authentic’ science education, where teaching reflects the nature of science as much as possible.

Trip to Zoo: Orchid Garden Nepal took small kids to the national zoo Jawalakhel. This was the opportunity for them to see the animals live. Aside from building great memories, having with animals actually serves some pretty incredible purposes when it comes to the emotional development and even physical health of kids.

v. Seven Children completed SEE Exam 2073. They appeared SEE exam from respected schools. New Sun Shine School, Advanced school and Constellation School.

iv. Graduation Program for OGN Seniors:

All together 16 Children were graduated from OGN this year. They were studying in Advanced School and New Sun Shine School.

Swimming:

Every summer children enjoy swimming session. They are waiting summer because they love to be in water. Swimming trains their body in breath control, which is great for them to build up their endurance.s

Staffs Capacity building Training:

Participate in Early Childhood Summit

Nepal: It was the great opportunity for Orchid Garden Nepal for sharing the experience of working with children since long time and the founder director was took part. We feel proud of putting our views and inputs in the policy making process for Early Childhood Development Education. The Summit was focused on Children's

right , Parents involvement , Education diplomacy , Curriculum , Special care for homeless , abandon and orphanage children , Capacity building of teachers ,Early childhood workers , Facilitators and Caregivers , Girls education and Cultural and linguistic Diversity.

Parents' empowerment session:

OGN is providing regular counseling and empowerment sessions for the parents. It is helping them to aware of their role and responsibility for the better life of their children. They have their own dreadful and crises in their daily lives. It is not easy to be a good parent for them even though OGN is helping them to manage their time and optimum use of their limited income for balancing their lives. The role of parents is a great in upbringing their children.

Cleaning and Plantation Program: Collaborative works together with Kathmandu Municipality office Ward No 5 and Samudayak Sngam and local clubs for community and river cleaning programs and plantation program. Some of the children also actively took part in the plantation program.

Conducted Urban Camp in OGN:

Department of Social Work of St. Laurence College continuously helping us by sending students volunteers and this time the students from B.S.W 3rd year for conducting your Urban Camp with various extracurricular activities in Orchid Garden Nepal. They collected some food and snacks donation as well.

Skilled base training:

Orchid Garden Nepal always search the opperchunity for coordination and cool aber ativ

e work with different agencies and Government body so that this year all together 30 parents were got the skill training of carpenter ,labor and security guard with the coordination of Kathmandu Municipality Ward No 5 Hadigaune through Department of Cottage and Small Industries Tripureshwor, under the Ministry of Industry , Nepal Government.

Established new Library Program

Our recently Orchid Garden established library by the financial support of Subi Gandi and training support was provided by the Room to Read Nepal. It develops a learning habit amongst our children. Volunteers are encouraging children to go to the library and to borrow books. Children are happy to go to Library with the volunteers and enjoy reading the books and activities facilitates by volunteers.
